QuickBooks™ Fundamentals
Restoring Bob's Big Bakery Files

When restoring Bob's Big Bakery QuickBook™ Back Up files, it is best for you to be using the latest version of QuickBooks. Also, there is a chance (depending on which version of the backup and when it is dated) that you may need passwords to restore your Bob's Big Bakery files to your computer. In that case, here's the info you need...

System User Name: Admin

Password for the Admin User: Admin123

Security Question: Name of your oldest nephew

Security Question Answer: Bob
